Inn of the Five Graces, New Mexico

The [Inn of the Five Graces](#) is considered one of the most romantic boutique hotels in the country. Located in prime Santa Fe, the 24-room inn provides a quiet oasis populated with lush courtyards and rooms housed in historic adobe structures. The decor is an eclectic hodgepodge of East meets West aesthetic sourced from around the world (rugs from Afghanistan, carved wood from India, etc.) in a riot of colors and patterns. Meanwhile, the bathrooms are a work of art, with almost every inch covered in mosaic tile. If you have a grand to spend, that's enough for a [premium two-bedroom suite](#) containing a king-sized bed, kiva fireplace and a bathroom with a soaking tub, separate shower and Bamford toiletries.
